TRAINING ACADEMY

Less Lethal Instructor Certification

COURSE DESCRIPTION

LESS LETHAL INSTRUCTOR PROGRAM

This course is comprised for four 8-hour instructor-level classes covering OC Aerosols, Impact Munitions, Chemical Munitions and Distraction Device® Munitions. The student will acquire instructor-level knowledge of Defense Technology® products, both technically and tactically, along with the skills necessary to conduct end user training.

COURSE OVERVIEW

Each of the four class modules focuses on a different subject and includes a half-day of lecture-based studies followed by a half-day in the field for deployment drills. In each topic, the student will receive presentation materials and videos to be utilized by the student for training in their own departments.

- Day 1 — OC Aerosol Projectors Instructor Program
- Day 2 — Less Lethal Impact Munitions (LLIM) Instructor Program
- Day 3 — Chemical Munitions (CHEM) Instructor Program
- Day 4 — Distraction Device® Munitions (DD) Instructor Program

COURSE BENEFITS

- This course is conducted by real-world professionals with strong operational and applied experience in their respective fields.
- Unique to this class is the level of technical information that comes direct from the manufacturer of these products.
- Upon completion of the course and successfully passing the final exam, the student is authorized to provide training to their agency in specific areas for three years from the testing date.
- The student will receive links containing presentation materials and videos to be utilized by the student for training in their own departments.

ADDITIONAL DETAILS
