General rules and classroom rules of use from POST Policy 12.30, Facilities and Equipment:

Classroom Rules

1. POST provides tables and chairs in “flat” style classrooms that can be arranged as needed. Facilitators or organizers are responsible for classroom set up.
2. Tables in “theater” style classrooms cannot be moved.
3. Chairs or tables may not be removed from any classrooms unless prior authorization is given by POST.
4. Audio visual equipment is provided in each classroom. Facilitators should arrive early enough to familiarize themselves with systems as POST staff may not be immediately available to assist. If facilitators require assistance in set up and operation of audio visual systems, they must schedule an appointment in advance of their event with the POST IT staff.
5. POST will not make photocopies or provide supplies such as pens/pencils, or notepaper. Facilitators are responsible for bringing all necessary supplies.
6. Prior approval is required for food inside the classrooms. Drinks are allowed if they are in a container with a secure lid.
7. Upon completion of an event the facilitator must ensure that trash is properly disposed of, all white boards are erased, projector and computer systems are powered off, all personal articles are removed, and lights are turned off.
8. Users must leave the classroom in the same condition as it was found.
