This **updated class** will cover new and existing drug trends, stash, identifiers, terms, logos, clothing lines, marijuana concentrates and more. **Whether you are a previous attendee or a newbie...this class will be relevant & important to you.** As we move into summer, this class will be imperative for all sectors throughout the region. This training will break down the sweeping trends of drug concentrates and all of the new products, terms, paraphernalia, concealment and associated trends.

In addition, there are new popular culture items such as: clothing lines, stash compartments, legalization trends, drug logos, terms and much more.

Due to the products that are being sold and distributed, legally or illegally, it is EXTREMELY important to educate yourself. New drug influenced clothing lines, stash compartments, and everyday items associated with the drug world, are continuing to evolve.

This class will also discuss: changes in the designer drug world, high potency THC extraction and concealment, dangers of hash oil Labs.

These new trends are very popular and it is important for all who are involved in prevention, education, treatment or enforcement to understand these **sweeping changes in the drug culture.**
