

ARIDE TRAINING

Advanced Roadside Impaired Driving Enforcement

APRIL 21-22, 2014
ISP District 1 Building
Training Room A & B

This class is intended for officers who have been patrolling for two or more years and desire to have more training in the area of detection and apprehension of drug impaired drivers. **In addition, ARIDE takes the place of the eight-hour drugs that impair driving class as the prerequisite for the Drug Recognition Expert School.**

This course will train law enforcement officers to observe, identify and articulate the signs of impairment related to drugs, alcohol, or combination of both, in order to reduce the number of impaired driving incidents as well as crashes which result in serious injuries and fatalities.

In addition, this course will educate other criminal justice professionals (prosecutors, toxicologists, judges, etc.) to understand the signs of impairment related to drugs, alcohol, or combination of both, to enable them to effectively work with law enforcement in order to reduce the number of impaired driving incidents as well as crashes.
