

DUI Instructor Training

Meridian, Idaho

June 2-6, 2014

This class is intended for officers who have a strong desire to teach and have successfully completed basic NHTSA DUI and ARIDE training.

This course will bring SFST practitioners up to instructor level, allowing them to use the standardized curriculum to provide DUI training. In addition, attendees who successfully complete this training and complete POST instructor certification requirement will be authorized to certify officers to use the SFSTs for arrest/no arrest decisions.

Tuition: None

Applications must be received no later than May 9, 2014 at 1700hrs to be considered for the class. Applications can be sent as an email attachment, faxed or sent standard mail.
