CREDIT

Christopher Saunders is the Data Analytics & Intelligence Manager for the Ada County Sheriff's Office in Boise, Idaho. He has more than 7 years of experience teaching about bias and nearly 15 years working in law enforcement.

EXAMINE

Examine the history of bias training, why the old approach wasn't effective and how to look at bias through a completely different lens.

LEARN

Learn about the roots of bias in the field of cognitive psychology and how to identify examples of bias in everyday behavior.

APPLY

Apply this new information into your personal and professional world through the use of empathetic communication.
