

# BODY LANGUAGE FOR LAW ENFORCEMENT

Attend the ultimate course in understanding and analyzing body language. In this comprehensive training you will gain invaluable insights into the subtle movements and non-verbal cues that you may be missing when speaking with people. The course dispels body language myths and provides an in-depth analysis of non-verbal behavior. The skills you will learn will enhance your ability to communicate and assist you in detecting deception.

You will dive into the world of nonverbal behavior and learn detailed movements within 4 regions of the body and nonverbal vocal changes that often manifest during interviews.

You will be presented with scientific research related to facial expressions and other non-verbal behaviors. These skills will strengthen your communication with the public and enhance your interviewing abilities.
