## Advanced Roadside Impaired Driving Enforcement

### **When**

September 8-9, 2025

Tentative Times: 9/8/2025 1000-2200 & 9/9/2025 0800-1700

### **What**

This course will train law enforcement officers to observe, identify and articulate the signs of impairment related to drugs, alcohol, or a combination of both, in order to reduce the number of impaired driving incidents as well as crashes which result in serious injuries and fatalities. In addition, this course will educate other criminal justice professionals (prosecutors, toxicologists, judges, etc.) to understand the signs of impairment related to drugs, alcohol, or a combination of both, to enable them to effectively work with law enforcement in order to reduce the number of impaired driving incidents as well as crashes.

Day one is 8 hours of classroom followed by a 2.5 hour wet lab for hands-on practice.

### **Who Should Attend**

This class is intended for officers who have been patrolling for 2+ years and desire to have more training in the area of detection and apprehension of drug impaired drivers. Officers with less than 2 years of patrolling will be considered based upon availability in the class.

### **Tuition**
