

Training Announcement

HOST: Chubbuck Police Department

Command 1: Developing First-Line Supervisors

Prepare your next generation of leaders with this 4-day, reality-based program built to move beyond “check the box” training. First-line supervisors face challenges that demand more than theory—this course ensures they are ready to lead with confidence and practical skills. POST certified in many states, it is second to none in first-line supervision and leadership training. Invest in your people, your agency, and your future.

Use of Force-Trilogy Series (3 Independent Classes)

Three independent classes focused on various areas of use of force: Level 1 - The Essentials; Level 2 - Training & Supervision; Level 3 - Meaningful Review. This training series is designed to strengthen tactical decision-making, supervisory oversight, and executive accountability. Attend one level or all three for a complete, defensible force-management continuum across the organization.
