LEVEL ONE CERTIFICATION

C4CPJJ is a complete DT system built around lawful, reasonable outcomes— control first, custody second. Officers progress over time, developing greater confidence, capability, control, and compassion.

This is not a repackaged BJJ class— it is purpose-built training for law enforcement.

Level 1 Course Topics Include:

- Core DT principles and subject control concepts
- Use of force, decision-making, and de-escalation
 - Contact communication and punch defense
 - Solo and team control tactics
- Takedowns, takedown defense, and ground control
 - Handcuffing and weapon retention/defense

Instructor Development Covers:

- Safely running combative training
- Planning effective courses and training days
- Teaching methods that improve retention and real-world performance
