

IDAHO INTERDICTION Training

June 3-4, 2026
Boise, Idaho

Presented by the
Idaho Police Canine Association

The Idaho Interdiction Training is a two day course designed to give law enforcement a working understanding of the tactics employed by top-tier interdiction experts to detect and apprehend criminals. This training will cover all aspects of interdicting criminals involved in drug and human trafficking.

DAY 1:

The Art of Interdiction

PRESENTED BY KENNY WILLIAMS

Sergeant Williams will break down piece by piece the tactics and mindset utilized by proactive police officers.

This course covers:

- Importance of vehicle selection
- Why criminals join criminal enterprises
- Common drug routes
- Body language
- Deceptive behavior
- Common-sense approaches to understanding reasonable suspicion
- Effective demeanor and language used by officers

Kenny Williams

Nationally recognized
interdiction expert
Full-time K9
interdiction officer
Seized over \$7.5
million, and more than
three tons of illicit
narcotics

DAY 2:

Breakout Sessions

Interdiction for the Protection of Children

PRESENTED BY JAKE BOYD

This class will enhance an officer's ability to identify victims of exploitation, missing children, technology-facilitated crimes against children, high-risk threats against children, and registered sex offender violations.

Additionally, the training has led to investigations for child abduction, human trafficking, possession of child sexual abuse material, and child sexual assault.
