

DECEMBER 5-6, 2026
SPEED MEASUREMENT RADAR AND LIDAR

16 POST credited training hours

COST: $200.00

In this 2 day operator course you will learn everything you need to be qualified in the use of Radar and Lidar. Case law tells us that court room testimony is valid upon the proper showing of foundation of training. This course will give you that foundation. Don't have your case thrown out or your credibility challenged due to lack of training.

Course is limited to 16 students

Registered students will receive a student manual via email prior to the class.

To register for this course please contact Will Stoy via text, phone call, or email at the number and/or address listed for Will Stoy LLC on the bottom right of this flyer. All payments will be made to Will Stoy LLC via check. Agencies will be invoiced for payment.

Location

POST, Building 3

Classroom A

700 S. Stratford Dr.

Meridian, ID. 83642
