# **Idaho Peace Officer Standards and Training**

## **Code of Ethics**

**As a member of the law enforcement profession**, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against violence or disorder; and to respect the Constitutional rights of all to liberty, equality, and justice.

**I will** keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret, unless revelation is necessary in the performance of my duty.

**I will** never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities, or friendships to influence my decisions. With no compromise for crime and the relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice, or ill will, never employing unnecessary force or violence and never accepting gratuities.

**I recognize** the badge or position of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of law enforcement service/public service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other law enforcement or emergency communications officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

**I know** that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

**I will** constantly strive to achieve these objectives and ideals, dedicating myself before God, or have a sincere and unfaltering commitment to my chosen profession...law enforcement.

## Director's Message

Today we celebrate the achievements of our basic academy graduates as they continue their journey into law enforcement. I congratulate each of you for your personal accomplishment and commitment to our noble profession. While it has been demanding, each of you has risen to the challenge and met the standard to take the oath today as one of Idaho's finest.

I would like to thank the POST staff, our cadre of outstanding instructors, graders, and role players and specifically the Academy Coordinators who guided these outstanding men and women throughout their many weeks of training. It is through their dedication and tireless efforts that this program is possible as we continue to pursue our Vision: To develop skilled law enforcement professionals who are committed to serving and protecting the people in Idaho.

I would also like to thank the family, friends and colleagues who are here in support of their graduate today. Without your support, these men and women cannot truly be successful whether personally or professionally, so I want to recognize your crucial role in their law enforcement lives.

Thank you for attending today's ceremony and good luck to all our graduates. We are very proud of you!
