

LE RIFLE INSTRUCTOR COURSE

28-30 JANUARY 2021

The Patrol Rifle is an extremely useful tool for modern law enforcement professionals. Agencies deploying these tools must support the training required to safely and responsibly utilize them correctly. Time must be given to develop and maintain the required skills. This course is designed for the law enforcement firearms instructor. Students will learn how to properly manipulate and deploy a patrol rifle within an urban environment. The purpose of this class is to expose students to capabilities and limitations of the LE Patrol Rifle.
