The successful completion of an APA accredited polygraph program is **one of the necessary prerequisites for membership in the American Polygraph Association*

or other similar organizations.

- Fully accredited by the American Polygraph Association.

- Approved by Idaho POST for 400 hours of law enforcement continuing education training hours.

- Teaching new Zone Comparison formats, ESS scoring, how to use computer algorithms, as well as all accredited polygraph techniques. Well-rounded instruction for both screening and specific issue testing.

- Our classroom facility at the Ada County Sheriff's Office is modern and comfortable with multiple monitored student practice labs.

- We maintain low instructor to student ratios for personal interaction. Our staff has demonstrated past performance with more than 100 years of combined experience.

- Forty hours of interview and interrogation training is included in our Basic Examiner Course.

- One-year Quality Control support for our students following training.

- Affordable and comfortable hotels within walking distance. Use this link for special pricing at [Candlewood Suites](#).
