

ALERRT

Exterior Response to Active Shooter Events (ERASE) Train-the-Trainer

There is no charge to officers or agencies for this training. It is funded through state and federal grants.

Time: 5 days (40 hours)

Class Size: 36 students per class

Prerequisite: Sworn law enforcement officer

Recommended Equipment: Good attitude, open mind, pen and paper, duty gear, clothing conducive for crawling around on the ground, water and or hydration system, body armor, long gun (if issued), and inclement weather gear (majority of course is outside regardless of weather conditions)

Participants are responsible for their own transportation and lodging.

This course includes the complete delivery of the ERASE course of study as well as:

- instructional techniques and methodology for delivering the course
- force-on-target scenario development
- safety protocols and procedures
- graded participant teach-backs
- graded participant-led force-on-force scenarios
- remediation
- course critiques
- evaluations

Officers attending this course should be able to walk moderate distances, jog, kneel, crawl, and lift moderate weight.

Participants are provided with all lesson plans, PowerPoint presentations, student manuals, and related courseware so that they are immediately prepared to deliver the Exterior Response to Active Shooter Events course at their home agency.
