This training event is co-hosted by the Idaho State Police and the Idaho National Guard Counter Drug program. The course is instructed by subject matter experts from the Idaho State Police and local police agencies.

Top Gun employs a mix of mediums to enhance learning. The course is built around lectures, straightforward fact-based scenarios, mini working groups, and hands-on practical applications. The course is designed to be interactive among the participants. **The course is intended for officers and prosecutors currently involved in narcotics-related law enforcement or those who intend to be in the near future.** The course culminates with realistic full-contact raids on drug houses.

The course will be held at Gowen Field, and all students must stay on base throughout the training.

Students must report to the school on Sunday, September 25th, between 1200-1400 hours, and remain at the school until noon on Saturday, October 1st. Students **MUST** attend the ENTIRE week of training. Students will be provided with accommodations, food, instructional materials, and the use of Gowen facilities throughout the entire week. Students will have to provide their own transportation to and from the training.

The training cycle is seven consecutive days. For planning purposes, please understand that the training day will exceed 8 hours, the exact number of hours will vary from day to day.

Submit training requests through your chain of command and complete the application below.

Applicants will be notified of their status by August 5, 2022.
